

STUDENT GAMES
MOSCOW QUEST
2016

Supported by the Public Relations Committee of Moscow

Aleksandrova A.B.

Chairman of the Public Relations Committee of Moscow

«For the socially-oriented organizations nomination “Consent and cooperation” is a very important. It is related to the promotion of inter-ethnic, inter-religious and intercultural dialogue and also public diplomacy development»

G.N. Kuzmenko

Organizing Committee Chairman

«The mission of the Student Games «Quest-Moscow» is not just a demonstration of foreign students their knowledge of the Russian language and culture, during the passage of quests. This is a unique opportunity for them and their fans deeply feel the history of Russian civilization as their own history»

In the association with the Government of Moscow, Russian-Chinese Friendship Association, the Embassy of China in Russian Federation and the largest universities in Moscow – 5,6,7, and 10 May of 2016 more than 50 students who study Russian took part in Student Games «Quest-Moscow».

Video broadcast of the competition passed in the direct mode www.quest-city.com site, allowing viewers to see the game from different countries and vote for their favorite team.
